UVA IN LONDON
CULTURE OF LONDON: PAST AND PRESENT

July 2022 | London, United Kingdom

The Culture of London Program is an intensive summer program designed for students interested in encountering the rich culture of one of the world's great cities. Alongside a course of reading in the literature, history, and urban experience of London, the program will take full advantage of the extraordinary resources of the city. Through regular visits to theaters and galleries, museums and monuments, and streets and squares, students will have the opportunity to acquire not only an academic understanding of a complex culture, but also the powerfully immediate experience of personal discovery that is at the heart of international study.
